

Embolization Session

Accreditation is
sought from the
(EACCME®)

Date & Venue:

Room: Main Hall
Venue: Intercontinental Hotel
Timing: 09:25-10:30
Date: March 17, 2017

Educational Objectives:

This session is about current and evolving embolization techniques in challenging vascular territories.

- A general overview of massive hemoptysis with special emphasis on embolization of bronchial and pulmonary artery.
- Discuss the treatment of pulmonary AVM, when and how to do it and follow up.
- New frontier in IR: describing hemorrhoids and bariatric embolization. New and emerging evidence and how it is done.
